

## Services

### Managed Hosted Email

Snake Hill offers hosted IMAP/POP email accounts with spam and virus filtering. Accounts may be accessed through any IMAP/POP mail client including Microsoft Outlook. Unmanaged services cut you loose after providing base software, our managed services offer 24/7 technical support and personalized assistance. We can also customize your service and assist you with managing your data.

Plan	Monthly Cost
Up to 10 users	\$25.00
Up to 25 users	\$40.00
Up to 50 users	\$75.00

### Dynamic Web Sites

Moving beyond static brochure web sites our dynamic web sites are really business application that facilitate two way communications with your client base. Sites are built with Drupal, a robust content management system that allows you to keep information up to date and scales with your business. We can add functionality to your site with out of box modules as well as custom modules.

#### Basic Dynamic Web Sites include:

- On-line Editing
- News Items
- Discussion Forums
- Blogs
- Map & Directions
- Contact Form

#### Additional Modules include:

- Contact Management
- Email Marketing
- Event Management
- Image Galleries
- eCommerce

### Data Storage & File Sharing

Each user is provided a network drive that can be accessed from anywhere through the Internet. Drives can be shared throughout organizations and work groups.

Starts at \$10.00 per account with up to 10 GB of storage included .50 per additional GB

### Secure Backup

Snake Hill's server/workstation backup solutions provide reliable backups that do not require user interaction. Users can specify specific folders to backup and schedule backups daily, weekly or ad-hoc.

Starts at \$10.00 per account with up to 10 GB of storage included .50 per additional GB

### Web Hosting

Snake Hill offers cloud based managed web site hosting. Sites are backed up every evening and can support a variety of web platforms. Managed Web Hosting starts at \$20 per month. Charges for additional bandwidth and disk storage may apply.

### Market Analysis

As an additional service Snake Hill can provide a market analysis to define intended audiences, define marketing integration with other marketing materials such as print and suggest appropriate on-line tools to maximize return on your investment.
